INSTITUTE LEVEL SENSITIZATION PROGRAM ON NATIONAL EDUCATION POLICY - 2020

12.06.2024

MAHASAMUND

Objective:

The National Education Policy (NEP) 2020 aims at bringing about a multidisciplinary approach in education. The objective of this workshop is to bring more and more awareness about the new education policy and to talk about the possibilities of implementing it in our institution. The NEP 2020 emphasizes the need to incorporate MDA approach into the curriculum from an early age. By giving students exposure to multiple disciplines, we can help them understand their chosen field better and develop an appreciation for diverse knowledge systems.
